

Day 16 – Pray for the Army of God, in Indiana, to kick Satan to the curb, making abortion illegal with no exceptions.

By Janet Douglas

Greetings fellow warriors,

Several days ago, I shared the original video which launched Amy and Curt's bill, *Protection at Conception*. It can be seen by [clicking here](#). It's up to you and me to make others aware of the truth of what we're facing in our State. This is an important video to share with everyone you know. It's especially helpful now to see their 2016 vision for ending abortion. Thank God they obeyed.

Indiana has been my home for over 30 years now and I despised it when I first moved here. Living in upstate New York where my husband was from, I loved it there and had no desire to move to Indiana. I won't deny, that I came kicking and screaming and it took me a long while to figure out why I wasn't happy here. Let's just say, Holy Spirit has a way to make us see that God knows what's best for us as we journey here on earth. After several years of living miserably, I was reading Isaiah 62 and when I got to verse 4, I was instantly convicted. The verse talks about marrying the land where you are. I had never accepted that this was the land of Goshen for me. Once I accepted it, I fell in love with Indiana and her people. (JD VERSION)

Why am I sharing this with you? I am sharing because I have to wonder if each of us loves our State enough, loves the people enough, and loves LIFE enough, to STAND UP AND BE HERE FOR THE PREBORN? I mean, we're killing Indiana residents. They are murdered. That's really what's happening. Do you and I love the people in this state like Christ loves them whether they know Jesus or not, whether they are Republican or Democrat, or like me a transient into our state?

It's really where this begins, isn't it? There is no life without children. Someone sent me the stats last week and it said there were close to 9,000 Hoosier babies murdered in 2021 in the middle of a pandemic, 9,000 babies. **Think of an auditorium with 9,000 seats.** This is not ok friends. It should break our hearts.

We're getting closer each day. We are down to 10 days. We're hearing lots of scenarios of what bills could be introduced. There is confusion about what *Right to Life* is doing and what John Jacob is doing which is what we're presenting through these daily writings.

That said, I want to bring you back to a place of focus and reality. First, the focus is as we've said in previous posts, that this issue is purely demonic. **This is NOT a public policy issue. This cannot be solved politically and with human means. It was demonic when we allowed it 49 years ago. It's the god of Molech.** If you aren't familiar with it, you can learn about it in the Old Testament. **This is a spiritual battle. It must be fought with spiritual weapons.** We, as the Army of God, need to be out in front leading this.

We must finish well. **We cannot stop now; in fact, we must do everything we can to get the word out.** Our teams gathered last Sunday night for intercession as we usually do on Sunday nights, but this was our focus. We were all so fired up that we spent hours on the phone contacting local pastors, and leaders trying to get them to show up for this battle. I pray that Holy Spirit will convict them. As I told our people, our job is to make the truth known, and shout it from the rooftops if need be. If we share and Pastors remain asleep, the blood will be on their hands. If we remain silent, it will be on ours. We have a choice.

That's the bottom line in reality! It's coming down to the choice you and I need to make. What are we going to do? **Are we going to believe the lie of the enemy that says, "You're just one person, you won't make a difference"?** The enemy wants us to think someone else will do what God is asking us to do. Sadly, many buy into that and won't even try to get the word out. **But as I said, this is a PRINCIPALITY.** It's losing its hold in our nation, and he knows it. **So, I say let's kick him to the curb once and for all here in Indiana. Let's do what we're called to do as sons of God and take the authority in the spirit realm and trust the Lord to co-labor with us and bring the manifestation of it in the natural. Amen.**

Friends, it doesn't matter what we have done or haven't done in the past. This is a new time in Indiana.

Terry posted this video on Thursday. We need to watch it again. **If there is any part of you that still is on the fence, I pray this will be the final straw to awaken you and cause you to awaken those around you.** Will we be mocked? Absolutely. Will we be persecuted? Absolutely. Will this be vicious? Absolutely. BUT Jesus prepared us for this in His Word. **For God has not given us a spirit of fear, but of power and of love and of a sound mind (2 Timothy 1:7).** Some versions say God has not given us a spirit of timidity. We are warriors! We have been called for such a time as this! We must be like Esther when she went into the King's chamber, and she knew it wasn't what she was supposed to do, but she took the chance of even being killed as she said, "If I perish, I perish" and you know the story, the King extended His scepter to her. **Friend, Father has extended His scepter to you and me and it's time we walk in the fullness of this authority.**

We decree even now the only kind of fear we have is the fear of God in the name of Jesus. We decree the King's scepter has been extended to us and we press forward with great authority in Jesus name.

We will not be defeated. We must fight for the Preborn! I implore you again today to make plans to be there in Indianapolis on July 25th, at noon. We need to support what John Jacob is doing. If you are not a part of his Facebook page, join now! [Click Here](#).

Our decision is not difficult. **What does the Bible say about abortion?** If we were to write a law patterned after God's directive, what would it be? I shouldn't have to say this, but I will. It would be no abortion with no exceptions. **Anything less is not biblical.** The Founding Fathers were courageous enough to write laws based on the Bible. Are we?

I don't have to say anything to set up this 2-minute video. It will instantly make sense. Please just close your eyes and listen. Then PRAY. Then please SHARE and help us get the word out to everyone you know. If you get timid as the enemy may try to shake you, listen to this video again. THIS IS WAR. We need to equip our minds for WAR.

Pray with me:

Father, You said in Your Word that whatever we bind on earth, shall be bound in heaven. We bind the spirit of fear and intimidation now in the name of Jesus and we lose the shalom peace of Almighty God in Jesus name. Father, Your word says one can put a thousand to flight, two can put ten thousand to flight. Father, we touch and agree now as we petition You about these babies that are being murdered and removed from society as if they are trash. We understand that it's true that body parts are sold. Lord JESUS forgive us for remaining silent. Lord, we ask that You hear our cry again today as we cry out to You Father. Father, You are the God of the Universe and there is nothing that is too hard for You. Awaken us O God. Awaken Your sons and daughters. Awaken us out of our slumber! I pray Father, that You speak to us clearly in this hour and in the days ahead. Father, the influence in the natural and in the spirit You have ordained—we release that now Lord into the Spirit realm and we decree we will hit the mark in the name of Jesus.

Decree with me:

I decree we're an army dressed for battle. I decree we will take the land. I decree that every stronghold is coming down that has kept this death structure in place in our state. I decree as we take up our sword and stand for these babies, that You will lead us and we will see the giants fall in Jesus name. I decree we will be strong and courageous. We will be very courageous.

We decree we do not walk in the spirit of fear, and we are not timid and are not afraid to stand against the tyranny that's before us. We decree our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms (Ephesians 6:12). We decree whatever we bind on earth is bound in heaven and we bind every demonic spirit that is connected and attached to Molech and we decree his days are numbered in Jesus name.

WE WAR WE WIN. WE WILL NOT STOP. WE WILL CONTEND. WE WILL OCCUPY UNTIL HE RETURNS.

Lasty, I wanted to thank each of you for praying for Richard, his mother, and me. We are in New York and I will have more to share later. I just want to thank you for praying for us, it means so much.

Thank you also for taking the time to join us for these prayer initiatives. It's been an amazing experience for me and has given me more time seeking the Lord daily to hopefully write as I'm led by Holy Spirit. We have other amazing writers planned for this period. I don't know what God has planned for the future, but I'm really liking this statewide prayer focus. Throughout the state, we have different theologies and worship styles and we hope to see that reflected in this series. I decree that we are one body, in Jesus name. I so appreciate the people who are saying "yes" to writing. I'm looking forward to returning from time to time and I miss the thought of not doing this every day. I know this is a portion of my calling to gather the intercessors and to stand and pray and fight for righteousness and justice. While we surround those in office from Indiana to DC, it's always an honor for the Lord to trust me with doing so. I have enjoyed working with Brad Skiles who has been wonderful to provide me with the shifts if need be. He's been very graceful to work with me late in the midnight hours, due to personal things, I have to write at night. I love hearing what Holy Spirit says, and I love to obey. I am a lover of Jesus and I am a warrior. No doubt you have probably seen both. Thank you to those of you who have sent me personal notes of gratitude and thanksgiving and thank you for those of you who have asked to sow into our ministry and especially for those who reached out wanting to connect throughout the state. Our assignment for five years has been to travel through the state to build relationships and to walk alongside other warriors and train them if they desire and simply build a prayer network across the state. I believe God has prepared us for such a time as this. We must realize that we need one another. We need to fight alongside each other.

Thank you for your support. Thank you for your prayers of agreement. I look forward to meeting ALL OF YOU on July 25th in Jesus name.

May the Lord bless you and keep you. May the Lord keep his face to shine upon you. Be gracious to you; the Lord turn His face toward you and give you peace.

All for His glory,

Janet Douglas

ADDITIONAL INFORMATION

- ◆ Join us for the "Stand for Life" Rally at the Statehouse, on Monday, July 25th, beginning at noon. We know the opposition will be bussed in. A large opposition to the Nisly/Jacob bill, will likely be the "permission slip" for the GOP Supermajority Establishment to implement a weak abortion bill which keeps Indiana's abortion mills functioning and pleases the Indiana Chamber of Commerce. If the Church wants to end the murder of baby Hoosiers, the time is NOW to ACT, [click here](#) and [click here](#).
- ◆ Our hearts were broken last week when we focused on Hudson Schrank. He continues to need our prayers. In addition to praying, we want to help, as a group, financially. We're waiting for Holy Spirit to lead us to the right mechanism for this. Keep watching for information.
