

Day 33—Pray that each Senator and Representative will have a life-changing encounter with Jesus.

By Pam Hall, Torch Prayer for Indiana, Facebook

Dear Prayer Warriors,

Let's pray together today as we lift the House of Representatives and the Senate before You and ask that they come into agreement and pass a righteous bill that would please God.

For with God nothing is ever impossible and no word from God shall be without power or impossible of fulfillment, Luke 1:37

Holy Spirit reminded me of this promise as I began to write this prayer. He knew that we needed to be reminded of His power and His love for all mankind to change the hearts of the people. My first thought was how can there be any agreement when their hearts are so divided and how can we pray that our lawmakers would agree on a bill that would please God? ***Only Holy Spirit can change the hearts of mankind and that is what He does best! Remember your own encounter with His love? WHEN we see the face of Jesus---we fall on our face and cry Holy, holy, holy. I know I did and I fell in love with Jesus because I encountered a love that no man can ever take from me---and you did too! We were forever changed! That is what we pray for each elected member of our state! Oh, how we need a heart change! Save each one, in Jesus Name. We claim each lawmaker for Jesus Christ and His Kingdom! We ask that you prepare each heart to receive the message of Jesus Christ and be saved! That would bring fiery rivers of revival to Indiana!***

We, the Ecclesia, the citizens of Indiana, take our place in the heavenlies to sit with You, Lord Jesus according to Ephesians 2:6. We release these prayers today in faith, believing that You will move on our behalf, in your mercy and grace. We release our faith in agreement with all who are praying in Indiana for righteousness and justice to invade our state! We send righteousness and justice into the statehouse of Indiana!

We ask that You prepare their hearts before they vote! Send them dreams of aborted babies. Remind them that they are mothers and fathers, grandparents and they too, were once a baby. Many were planned and many were unplanned, but God –You had a plan! Break their hearts for what breaks Your heart! Holy Spirit convict them of the sin of abortion. Convince each one to do the right thing! Show them the truth. Remove every lie and every veil of deception so that they can make the right choice. Reveal every evil work. We cancel out every whispering voice of the enemy of God, in the name of Jesus. Release Your angels to minister to each lawmaker the truth! Psalm 103

Invade the hearts of these men and women. We ask that the fear of God would fall upon each one as they vote. It is You that works in them both to will and do His good pleasure (Philippians 2:13). Guide each one into Your truth and set them free! Let the Glory of God fall in the Senate and the House! Wake them up out of their stupor!

We declare that Indiana will be a state that will value and protect life! We declare that Indiana will ban abortions with no exceptions! Let there be

When you are dealing with Him who is omnipotent, faithful, and true, the things that seem utterly impossible will be those most likely to happen, Charles Spurgeon.
