

## Day 34—We keep praying, working, and believing!

By Amy Schlichter, [Hoosiers for Life](#), Executive Director

Dear Prayer Warriors:

We keep praying, working, and believing!

***Dear Lord Jesus, we need You. We need You before us and on all sides. We need Your presence as we walk through the darkness and unknown. We desperately need Your voice and guidance as we produce strategy and artillery against the forces of evil in our state. We pray for Your Holy Spirit intervention in all aspects of this fight. May Your Spirit move into every crack and crevice of the Statehouse this week, let nothing be untouched by You!***

*Find us in the battle Lord. See us with our armor on. Let us be pleasing to You and prepare us for our moments. The moments we will face requiring courage and bravery. Let us not shrink back. Help us to not get spun around. Keep us interlocked with Your people and fortified with Your army.*

***Help the internal team know Your will on this fight. Show us the way. When You say move, let us move. When You say stop, let us stop. Let our work bring You much glory and help us dear Lord to save Your children from death.***

*Strengthen the external team and give them a loud voice. Make them strong and wise, prepare them for all things ahead. Bring them discernment that cuts like a sharp tool so they can distinguish friend from foe, truth from lie, strategy from agenda. May You look and see them as those You greatly love.*

***I pray Lord of Lords that You have Your way this week as we press into this battle.***

*Protect our homes and families as we are on the battlefield. May the wiles of the enemy have no sway over us and all we hold dear.*

*Onward! Love God. Value Life.*

*In Jesus' name, Amen.*

### **Wednesday Special Session Update**

- ◆ Yesterday was a full day of testimony in the House Committee assigned to Senate Bill 1. If you didn't hear it, this eleven-year-old boy made a big impression, [click here](#). There is a purpose and value in these testimonies, but for the Committee members, the testimonies had little impact. After the testimonies, SB 1 passed through the House Committee by a vote of 8-5, but not before an amendment transferred the baby killing from the abortion industry to a hospital setting—another step of regulating abortion rather than ending abortion! The House does not meet today (Wednesday). **PHONE CALLS AND EMAILS ARE ESSENTIAL. The bill moves to the floor on Thursday and this is when amendments will have an opportunity to save babies.** As it stands, SB 1 does nothing to save babies. It is a disgrace to the GOP Supermajority which has raised money with the image of being "pro-life." **None of this has caught God by surprise.** As you pray for Jesus to encounter Representatives before Thursday, consider how God intervened in these situations: Genesis 41, Judges 7:12-15, Daniel 4, Matthew 27:19, Acts 9:10, Acts 10:1-16, Acts 16:9-10, and Acts 18:9-11. **Let's pray legislators encounter God in ways that move them to change SB 1 to end abortion with no exceptions.** Only God can accomplish that. Fortunately, it is as easy for Him as breathing.
