

Day 37—When God gives us the victory, keep praying; our work is just beginning.

By Pastor Jon Schrock

Dear fellow warriors:

We have more work to do! On Friday night, the Senate sealed the fate of Hoosier babies in the womb. **THIS IS NOT A VICTORY. This is a terrible bill!** From a human side, a victory would have been the failure of this bill. I don't know the mind of God, but I'm now guessing King Jesus wants His Church to see the consequences of SB 1. **Will Indiana's Church be satisfied with this fake Pro-Life bill?** Make no mistake about this. This is a Baby Killer Bill! That is a topic for another time. **What I want to emphasize is that the colossal victory achieved this week was the roll call vote on Curt's Amendment #76. This was a straight-up vote on the merit of the amendment. As Bryan Schrank pointed out Friday morning, Indiana is the FIRST STATE to have a roll call vote on an abolition bill. We were able to shine the spotlight on the Indy Swamp and what we saw was not pretty! ONLY SIX REPUBLICANS VOTED TO END ABORTION AND SAVE BABIES. Only six people out of 100 Reps voted to save babies under all circumstances. ONLY SIX PEOPLE OUT OF 100 VOTED FOR A BILL THAT WAS THE CLOSEST BILL TO GOD'S WILL FOR THESE CHILDREN! This is not a grey area. The Bible is clear. "You shall not murder." There are certainly more than six Christians in the House.** Folks, Indiana has a major problem with whom we are sending to the Statehouse and how we are holding them accountable. Sometime in the future, we will discuss this further.

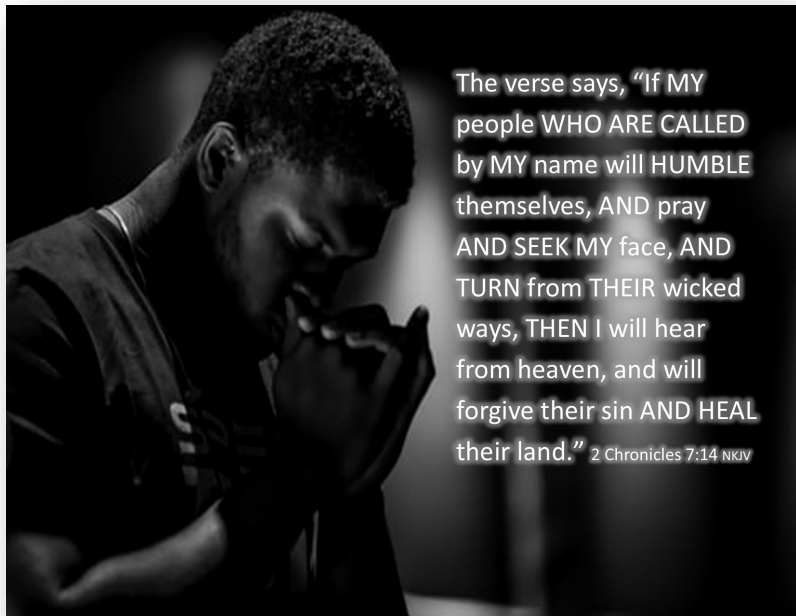

On this day, as battles rage, we must continue to be focused on the target and goal. The fog of war is real. We can become distracted and cause our aim to become off-target. The devil loves to cause division and has those who have not stayed upon Jehovah to distract us. **Abortion is undoubtedly evil and perverse. Abortion is without question an abomination before God. Abortion should be criminalized and banned in the Hoosier state. When in Jesus' name this evil is abolished, the victory is not completely won! God is without question for the abolishment of all abortion! Revival must happen in the church of the living God. Revival includes the Abolishment of Abortion but is not the totality of Revival. God's Church must begin speaking truth to power, and it must occur regularly and consistently. God's Church must begin rebuking all evil regularly and consistently. God's Church must begin regularly practicing pure and undefiled religion.**

We are in the midst of a war of biblical proportions. The "fronts" of this war are many! Children are being groomed and indoctrinated not only in public schools but also, we are finding this indoctrination marching into private and "Christian" schools and curriculums. **Lord, let us know we are fighting against principalities and powers much larger than we can imagine.** We must fight this terrible evil while also protecting our minds and eye-gates. **Lord, grant us protection and insight to remain pure ourselves yet help us to rid ourselves of evil that is in front of our children.** Pornography is rampantly allowed to be utilized under the guise and pretense of Sexual Education. **Lord, repair the minds of those precious children who have been victimized.**

The nuclear family is being bombarded with attacks from the enemy. Seemingly everywhere we turn we are being fed information (propaganda). Sometimes it is subtle and sometimes it overtly skews our minds away from God's definition of a family. **Lord, protect the families of this land. Give moms and dads the desire to raise their children in the nurture and admonition of the Lord.** Pray for the attacks coming from within the Church that demeans parental authority and the family structure. **We pray against those who are well-meaning but wrongfully acting in opposition to the biblical family. We pray for men who desire to be men. Leading their homes in a servant leader mindset but are undermined at every turn. We pray for moms who desire to fulfill their roles as biblical mothers. Their role is often diminished and**

impugned. We pray in Jesus' name that the purveyors of hate and malice against the biblical role of Mom are squelched and silenced.

The pastorate is being barraged with attacks from within and without. Pastors who stand for the truth and the Word of God are maligned and ridiculed. Pastors who fail and falter in expounding forth the Word of God are given credibility and lauded as heroes. **We truly are living in a time where evil is good and good is evil. Denominational pressure is being mounted upon pastors. Congregational pressure is being placed upon pastors. Societal pressure is being positioned on pastors. We pray that God will break the pressure of the pastors that love Him and desire with their whole hearts to serve Him. We pray further that God would stop the mouths of unrepentant blasphemers of God who speak as though they know the Bible but are leading men astray.**

The verse says, "If MY people WHO ARE CALLED by MY name will HUMBLE themselves, AND pray AND SEEK MY face, AND TURN from THEIR wicked ways, THEN I will hear from heaven, and will forgive their sin AND HEAL their land." 2 Chronicles 7:14 NKJV

Lord God in heaven, we cry out in repentance and humility before you for the apathy and indifference to those things which you have commanded. We lift up our voices in unison and ask humbly for forgiveness. We acknowledge forgiveness may not stop judgment upon our land. Our land stands guilty of treason and treachery against the Living God. Our land has gone astray, and we have the blood of unborn millions upon our hands. We cry out for your forgiveness and respectfully ask for your power to change this land. You alone are the answer to the problems. You alone are the solution to the mess in which we find ourselves.

HYMN: UNTO THEE O LORD

*Unto thee O Lord!
Do I lift up my soul
O my God, I trust in Thee
Let me not be ashamed
Let not mine enemies triumph over me
Yea, let none that wait on Thee be ashamed
O my God, I trust in Thee
Let me not be ashamed
Let not mine enemies triumph over me.
Show me thy ways, thy ways O Lord
Teach me thy paths, thy paths O Lord
O my God, I trust in Thee
Let me not be ashamed
Let not mine enemies triumph over me
Remember not, the sins of my youth*

O my God, I trust in Thee

Let me not be ashamed

Let not mine enemies triumph over me

Let's keep focused on the goal,

Q: WHO'S IDEA WAS IT TO
TURN INDIANA CENTERS
FOR BIRTH AND LIFE
INTO CENTERS OF
DEATH AND MURDER?

A: IT WASN'T A HUMAN.

It's time for sleepy Hoosier Christians to wake up. This is a spiritual battle. Call your State Representative before August 4th. Ask them to gut SB 1 and replace it with the language from the Nisly/Jacob Bill, HB 1282. The House Committee, on August 2, 2022, amended SB 1 to shift the murder of babies from abortion centers to hospitals. This is what the GOP Supermajority calls a "Pro-Life" bill! More regulation of abortion, rather than ending it.

SATURDAY, AUGUST 6, 2022 SPECIAL SESSION NEWS

Late Friday night, Governor Holcomb signed SB 1. Just like there are [74 genders](#), men can give birth, biological men can not only compete in women's sports but can also be nominated for the NCAA Woman of the Year, Indiana now has a Baby Killer Bill heralded as a Pro-Life Bill. *Indiana Right to Life* and *Indiana Family Institute* are praising the legislators who voted for SB 1, even though it has no criminal penalties, shifts the killing from Planned Parenthood to hospitals, and has so many loopholes that abortion will be expanded in Indiana rather than restricted. Someone came up with the idea this would save 95% of babies in the womb, and without critical thinking journalists, the media spewing this propaganda. We live in a delusional culture. What is up is down. What is right is wrong. This Senate Bill, is the perfect bill for our times. It is not as it seems. God has given us many opportunities to expose the truth. Your prayers have been answered, not with the bill we desired, but with specific roll call votes that can impact elections for likely the next 10 years. It appears King Jesus is giving us more work to do! Thank you for your teamwork! You prayed. Made phone calls. Sent emails. Showed up. We will continue this series through the end of this Special Session. We will continue to focus on the need to save babies and continue to build a foundation for the future. We continue to believe God wants Indiana to be one of the first states to lead the nation in ending abortion. This bill did not do that. But we are making progress.
