

Day 3 – The *Indiana First Action Election Integrity Project*

By Janet Douglas

Greetings fellow warriors,

Today we will begin to narrow into the specific things and situations needing prayer. We will also focus on specific people and organizations who are on the frontlines leading the way.

What is the *Indiana First Action* (IFA) you ask? I confess that I too had to ask who they were. I spent a small amount of time on their website and learned a few things. I also asked Brad Skiles to help me.

As a leader in the Apostolic church in Southern Indiana, I began to feel the tug from Holy Spirit to get more involved several years ago and I met some amazing people along the way. I have had the pleasure to pray with many leaders on both political sides in and outside the Indiana Statehouse and in Washington DC. I've been blessed to meet many from both sides who are on the frontlines fighting for what is right. The IFA group are patriots focused on Indiana election integrity. They have been diligent as a watchman on the wall to call out leaders who should be making changes to our election system. They want the truth to prevail.

I'm told there is voter fraud in Indiana. However, I have no doubt that Father is not only raising up those who will take their seats in the future, but He's also raising up groups like this to stand strong. Father always has a purpose. He is exposing the wicked and we will see justice come IF we continue to pray and support these groups.

1. IFA is a group of patriots who possess technical skills. Their core work is with computers and mathematics. They have worked with well-known groups to evaluate the patterns of voting in Indiana, and they believe they have evidence of voter fraud.

We have some leaders in the Statehouse who continue to report that we have things secure and there is no voter fraud. Either our establishment leaders are right, or IFA is right. We need to pray for the truth to be revealed. This is NOT a partisan issue. Every Hoosier should have confidence in our elections.

2. Last month, IFA presented its allegations to the Indiana Secretary of State. There is a deadline of July 4th for action to be taken.

You and I would agree that folks who hold government officials accountable often become a target. Sadly, their family does as well. We don't have to look far to see this happening all over our nation.

When the leaks from the Supreme Court happened, there were many people who marched in front of the homes of the Justices. It hasn't stopped yet and the sad part of this is, in my opinion, many of them don't even know why they're marching. This reveals even a greater understanding of what's behind this type of behavior and that is purely demonic.

WE WAR, WE WIN. We already won when Jesus climbed on the cross. Still, we're here to steward the earth and as we partner with God, we must stand for righteousness and justice at every level of our government. For far too long, we, as the church and even those who may not know Jesus but have morals have been asleep. We are awakening now! Glory to God!

The Scripture today is about integrity. I want to encourage you to read the entire chapter (Psalm 101) and be encouraged as you war on the wall.

David was concerned about ruling righteously. He looked at his own life first because he knew that if these

things were in proper alignment in his own life that he would be able to govern in the same way. Just as righteousness and justice go hand in hand, he knew that mercy and justice did as well.

As king, David was concerned with mercy and justice. He knew these principles were not rooted in man, but in God. Before he could exercise mercy and justice in His kingdom, he had to understand and extol the mercy and justice of God.

“Mercy and judgment would temper the administration of David because he had adoringly perceived them in the dispensations of his God” (Charles Spurgeon).

“To You, O LORD, I will sing praises.”

David could only sing of **mercy and justice** in reference to songs of praise to Yahweh. David knew that the LORD was the source of all mercy and justice.

He was making a covenant promise to God that he would live a righteous life in the presence of His God. He said, “I will behave wisely in a perfect way. Oh, when will You come to me? I will walk within my house with a perfect heart. I will behave wisely in a perfect way.”

David was determined that his reign would be marked by integrity and godliness.

WOW, doesn't that sound like an awesome campaign promise? I believe Father is raising up Davids to take their place on the government mountain in every branch of government. I have no doubt that He will place folks like you to take prominent seats in the days ahead.

We must continue to pray for those who Father is prompting to run for office big or small. I have no doubt Father will do His part and now we just need the sons and daughters to rise and step into what Father has ordained. He doesn't call the qualified, He qualifies the call.

I believe we will see many more groups like the IFA take a stand and fight for justice and righteousness. I pray that as we press through in this new era, we will see an influx of groups and people doing the right thing to bring our nation back to its original design. I believe that we're beginning to see this in Indiana but not one man or woman can do this alone. We need each other, and most importantly, we need God.

The IFA group has been and continues to confront those in government concerning election integrity. Rather than be encouraged and aided by our government, they continue to receive pushback. We're grateful for patriots who are willing to step onto the frontlines and not give up.

Pray with me:

Father, we thank You for Your mercy and justice. We continue to cry out for mercy upon our nation and on the State of Indiana. Father, we thank You for calling groups to rise up and gather the troops to push back against the powers that be that will go to any length to keep in power and to keep the good ole boys in position. We thank You, especially for the Indiana First Action group. We pray that as they lead the way in presenting truth You will protect each one of them. We pray that You will give them the courage to stand firm even when the pressure seems overwhelming. Help them to complete the task that you have given them. Father, give them the wisdom that You gave to Solomon and cause them to discern that which is going on, and Father, we ask that You give them heaven's strategies for what it is that You want for our state. We pray for their families, Father, and ask that You watch over them and protect them from all attacks that would come. We thank You Lord for each member of the group and release a firewall of protection around them and their family

members.

We pray that as they confront the officials face-to-face Your favor would be upon them. Even as we pray right now, we call forth the angel armies to stand guard and to go before them and while we do not worship the angels, we thank You, Lord, that You send them to fight for us as You are the commander of the angel armies (Psalm 46:6-7). Even now, we send confusion back into the enemy's camp and cause every ungodly plan to boomerang into the face of the enemy in the Name of Jesus. We say let every backroom deal be exposed even in the highest office in the Statehouse. Especially those who proclaim that there is no voter fraud when we know it has already been exposed in the Name of Jesus of Nazareth. We pray for protection over each one and we decree no weapon formed against them shall prosper in Jesus' name.

Decree with me:

We decree that Indiana is aligning with the heart of God! We decree those men and women who are rising and walking in integrity continue to stand for truth. We decree that as IFA goes forward, they will hit the mark as they gain wisdom from Almighty God. We say that while we have never been down this way before, You will give them the blueprint for each step that must be taken in order to overthrow the enemy and that the demonic structures will begin to crumble in the Name of Jesus.

We decree that the hearts of Your sons and daughters are rising with great courage. Refusing to stand down, we will rise above every assault from darkness, and they will see Your hand move just as David did when He was King.

We rejoice even now as we stand back and watch You move on behalf of this great state. We give You all the glory and praise for all that we're about to witness in Indiana. We declare "Indiana is being saved" in the name of Jesus.

We praise You, Father, and we love You, Jesus. We are thankful for the Comforter, Holy Spirit who is with us day and night. We honor and glorify You, Father God. Have Your way in Indiana as we put our trust and hope in You and You alone! In the Name of Jesus.

Scripture for Day 3, Psalms 101:1–4: "I will sing of lovingkindness and justice, To You, O Lord, I will sing praises. I will give heed to the blameless way. When will You come to me? I will walk within my house in the integrity of my heart. I will set no worthless thing before my eyes; I hate the work of those who fall away; It shall not fasten its grip on me. A perverse heart shall depart from me; I will know no evil."

READ PSALM 101 in the Passion Translation and be encouraged.
